GAWA RESOURCE & DESCRIPTION	RRP \$ (incl of GST)	QUANTITY	TOTAL \$
<p>Our Global Future: The Geography of Planning Cities and Climate Change – Unit 3AGEO/Unit 3BGEO This is a new text authored by Kathryn Ford and Norman Snell and published by GAWA, which has been specifically written to address the Learning Contexts and the Unit Content of the new Stage 3 Geography Course.</p> <p>Chapter 1 reviews the skills required by Geography students. The <i>Geographical Thinking, Skills and Processes</i> are also integrated throughout using activities based on the text. Chapters 2 to 6 focus on the Unit 3AGEO – ‘<i>Geography of Planning Cities</i>’ with an in-depth examination of Perth. Case studies examine specific examples from other cities including the megacity of New York.</p> <p>Chapters 7 to 14 focus on the Unit 3BGEO – ‘<i>Geography of Climate Change over Geological Time</i>’. It examines the mechanisms of climate change and its impact on agriculture and settlement.</p> <p>The text includes numerous diagrams, maps, photographs and tables; - all in full colour.</p>	<p>NEW TEXT</p> <p>\$44.00 (with 20% Member Discount)</p> <p>RRP = \$55.00</p>	<p>-----</p>	<p>-----</p>
<p>Hazards, Impacts and Responses –GEO 2A Unit This text is written by Norm Snell to specifically address the requirements of the new GEO 2A Unit – ‘<i>Natural Hazards and Impact Minimisation</i>’. This text introduces students to the ‘<i>Geographical Approach</i>’ and this is followed by Natural geomorphic and atmospheric hazards discussed at the global, regional and local levels. The geomorphic hazards include volcanic and earthquake events and their consequences. Atmospheric hazards include storm and bushfire events and their consequences. The text includes a range of activities based on the text information as well as numerous diagrams, maps, photographs and tables; all in full colour</p>	<p>\$22.00 (with 20% members’ discount)</p> <p>RRP = \$27.50</p>	<p>-----</p>	<p>-----</p>
<p>Sustainable Planet – Resource Geography for Senior School Students – GEO 2B Unit This text is authored by Tamara Boyer (HOD S&E, Aranmore College) to specifically address the requirements of the new GEO 2B Unit – ‘<i>Sustainable Development</i>’. This text addresses <i>Place & Change and Human Influence on Sustainability</i>. <i>Place and Change</i> case studies from Australia’s South West and Eastern regions, include Fishing, Forestry, Coal Mining and Wheat Growing. <i>Human Influences in Sustainability</i> case studies include coal mining in China’s Shanxi Province and agriculture, fishing and forestry in Indonesia. <i>Geographical Thinking Skills and Processes</i> are integrated throughout the text using activities based on the text. Each chapter begins with reference to relevant content areas, associated content organizers and pointer from the GEO 2B Unit Course. The text includes numerous diagrams, maps, photographs and tables; all in full colour.</p>	<p>\$22.00 (with 20% members’ discount)</p> <p>RRP = \$27.50</p>	<p>-----</p>	<p>-----</p>

<p>The Geographer's Toolkit – This text published by GAWA in 2007 and authored by Norman Snell, a course writer for the new Geography Course, to serve as a GAWA's vanguard publication. This text has been developed to provide a practical and useful, high quality text for students and to support teachers. It meets the needs of both the current Year 11 & Year 12 TEE course skills objectives and provides information suitable for the implementation of the new Geography Course. Full-colour production, including many coloured diagrams, graphs, maps, photographs and activities with each chapter. Also includes a double-sided, coloured Harvey Broadsheet with a wealth of stimulus material and activities.</p>	<p>\$28.00 (with 20% members' discount) RRP = \$35.00</p>	<p>-----</p>	<p>-----</p>
<p>The Geographer's Toolkit – A Student Activity Book This is a companion text to <i>The Geographer's Toolkit</i>, which provides a variety of tasks and investigations linked to the textbook. Produced for the student in a user-friendly format, this text is designed to assist students to consolidate and revise their understanding and use of the <i>Geographical Inquiry Skills</i> for the new Geography Courses.</p>	<p>\$15.84 (with 20% members' discount) RRP = \$19.80</p>	<p>-----</p>	<p>-----</p>
