The Australian Geography Teachers Association (AGTA) has developed a series of three ' Geography Unlocked ' texts to support the teaching of geography in Australian schools. Geography Skills Unlocked , (published 2016 & reprinted 2019); Geography Literacy Unlocked (published 2017) and Geography Fieldwork Unlocked (published 2019). GAWA is the WA distributor for these texts.			
<u>Geography Fieldwork Unlocked – suitable for years 7 to 12</u> Publisher: Australian Geography Teachers Association This text has been developed to assist teachers to implement inquiry-based fieldwork into their teaching/learning programs. GAWA considers this to be an important <u>teacher reference text</u> for HaSS and senior geography teachers in WA. Key features: The text is divided into three sections: Section 1 includes the role of fieldwork in geography; the nature of geographical research; the research action plan and tools & skills used when undertaking fieldwork. Section 2 includes eight innovative fieldwork activities for Years K-6, organized by curriculum topic, while Section 3 showcases 25 fieldwork activities.	ISBN 978-0-9945677-2-7 \$59.95	-----	-----
<u>Geography Literacy Unlocked – suitable for years 7 to 12</u> Publisher: Australian Geography Teachers Association This textbook has been developed for secondary geography students seeking to improve their geography literacy skills. It includes a focus on written, visual and oral literacy. Key features: <ul style="list-style-type: none">* An engaging, easy-to-navigate design and a student-friendly approach.* A focus on effective written communication — spelling, punctuation, tense, etc.* Descriptions of the principal text types used in geography, with annotated examples.* Guidance for writers in quoting, paraphrasing, summarising and referencing.* A focus on the responsible use of social media.* A comprehensive coverage of the principal forms of visual and oral texts students use.* Templates or scaffolds to support interpretative skills students are expected to know.
